Dear Sir:

Through telephonic conversation with your office I have been informed that you would probably be kind enough to furnish me with the names and addresses of say a dozen or so firms located along the Atlantic Seaboard who would likely have in their possession (or could readily obtain for me) United States pennies, half-dollar and dollar pieces, bearing the date 1825.

Your courteous cooperation in this connection would, of course, be greatly appreciated.

Your reply is eagerly awaited.

Yours truly,

Chauncey S. S. Miller.
